AWARD WINNING TASTE

**Uncompromised Craftsmanship
With An America Spirit**

RWB is handcrafted in America by our skilled master distiller. We take pride in using the best local ingredients like the finest Idaho potatoes and pure Rocky Mountain aquifer water. Serve RWB straight or with your favorite mixer and enjoy a vodka that is smooth, crisp and naturally gluten free.

RWB VODKA

Made with only the highest quality Idaho potatoes and pure, mountain spring water, RWB Ultra—Premium Handcrafted Vodka is born of the idea that a brilliant spirit should be judged on the quality of its craftsmanship, not the size of its price tag. A perfectly balanced vodka, it possesses a smooth, distinctive flavor that distinguishes RWB from less exceptional spirits.
